

**We need your help,
because children need
our help.**

Every year, Children's Hospital and Health System presents a variety of fundraisers to support medical care, medical research, social services and health education for children. *We couldn't do it without people like you who share their time and special talents to help stage these events.*

Right now, we have an urgent need for volunteers to coordinate voice and silent auctions. Ideal auction committee volunteers:

- Have connections and contacts in the community.
- Are confident meeting new people.
- Have an eye for stylish gifts and unique experiences.
- Enjoy attending social events.
- Gain personal satisfaction by helping others.
- Want to support a great cause in a way that fits their busy lifestyles.

If this sounds like you or someone you know, we'd love to tell you more about this fun and effective volunteer role. Don't forget: you'll double your satisfaction by volunteering with a friend, family member or spouse. *Call us today at (414) 266-7642, e-mail tbissen@chw.org or return the card below.*
