

Wish List – Fox Valley

What you can do to help our patients

Children's Hospital of Wisconsin-Fox Valley patients rely on the generous donations of people like you to make their hospital stay easier. This patient wish list includes items that will help children cope with the anxiety of being in the hospital. Your donation of a new, unused item will help make a child's stay more comfortable.

For infection control and privacy purposes, we are unable to welcome groups of visitors into the hospital. We are happy to accept and distribute your donation to patients on your behalf.

Your kindness and generosity is appreciated! To arrange a drop-off for your donation please contact the Child Life department at 920-969-5355 or Community Relations at 920-969-5303.

General Guidelines

- All items must be new and unwrapped.
- No food items.
