

## *Wish List*

### *What you can do to help our patients*

Children's Hospital of Wisconsin patients rely on the generous donations of people like you to make their hospital stay easier. This patient wish list includes items that will help children cope with the anxiety of being in the hospital. Your donation of a **new, unused item** will help make a child's stay more comfortable.

For infection control and privacy purposes, we are unable to welcome groups of visitors into the hospital. We are happy to accept and distribute your donations to patients on your behalf.

For more information, or to make a donation, call the Kohl's Child Life Program donation hotline at: **(414) 266-2787**.

#### *Guidelines*

- All items must be new.
- No items containing Latex.
- Stuffed animals and dolls must be safe for all ages and no larger than 18". (No vending machine toys, please).
