

Kids deserve the **best.**

2015 POCKET DIRECTORY

Physician Referral and Consultation
(414) 266-2460 • (800) 266-0366

Central Scheduling
(414) 607-5280 • (877) 607-5280

The care at Children's Hospital of Wisconsin is provided by over 540 world-class pediatric providers who are employed by the Medical College of Wisconsin.

Updates available online

This directory can be viewed online as a pdf, enabling us to provide regular updates on physicians, nurse practitioners, physician assistants and services. To download a copy of the Pocket Directory, visit chw.org/pocketdirectory.

Additional resources available online for physicians and other health care providers

- Outpatient order and consent forms
- Patient handouts and teaching sheets
- Care guidelines
- CME information

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Program Director

M. Susan Jay, MD

Interests: Adolescent gynecology, adolescent development and physical health issues, adolescent fatigue and eating concerns in adolescent young women

Adolescent Medicine clinic manager

Kim Melcher (414) 266-4987 | kmelcher@chw.org

Specialists

Sadhana K. Dharmapuri, MD

Interests: Eating disorders in children and adolescents and reproductive health care

Wendi G. Ehrman, MD

Interests: Adolescent gynecology, contraception, teen pregnancy prevention and care of high-risk teen

Physician Consultation and Referral (800) 266-0366 | Central Scheduling (877) 607-5280

Jessica Francis, MD

Interests: Adolescent gynecology

Seema Menon, MD

Interests: Adolescent gynecology

Angela C. Stanley, PsyD

Interests: Adjustment issues and life transitions in adolescents, mood disorders, anxiety, grief and loss, psychological trauma, self-harm and suicide prevention

Advanced Practice Providers**Tia C. Medley, APNP**

Interests: Holistic health care, post-traumatic stress disorder and care of high-risk teens

Meara E. Peterson, APNP

Interests: Contraception, reproductive health, women's health and well care

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

John M. Routes, MD, section chief, Asthma, Allergy and Clinical Immunology
Interests: Primary immunodeficiencies, disorder of immune dysregulation and immunologically mediated lung diseases

Asthma, Allergy and Clinical Immunology clinic manager

Ann Cherone (414) 266-2852 | acherone@chw.org

Specialists

Asriani M. Chiu, MD, program director, Asthma/Allergy
Interests: Allergic diseases, asthma, food allergies, chronic rhinitis, urticaria (hives), eczema, recurrent infections and immunodeficiency

Leslie M. Gimenez, MD

Interests: Allergic rhinitis, sinusitis, atopic dermatitis, food allergy and asthma

Mitchell H. Grayson, MD

Interests: Asthma, allergic rhinitis, sinusitis, atopic diseases, food allergy, urticaria, angioedema, anaphylaxis and reactive airway disease

James V. Lustig, MD

Interests: Asthma, immunodeficiency, food allergies and eczema

Joshua A. Steinberg, MD

Interests: Chronic urticaria/angioedema, high-risk asthma and mast cell disorders

Kristen Volkman, MD

Interests: Allergic rhinitis, asthma, eczema, food allergy and urticaria

Heidi T.V. Zafra, MD

Interests: Asthma, rhinitis, atopic dermatitis, eczema, food allergy and drug allergy

Advanced Practice Providers**Lynn N. Abad Santos, APNP**

Interests: Asthma, allergic rhinitis, atopic dermatitis and food allergies

Jeanne E. Conner, APNP

Interests: Asthma, allergic rhinitis, atopic dermatitis, food allergy, urticaria, stinging insect allergy and sinusitis

Lisa A. Crandall, APNP

Interests: Asthma/allergy, allergic rhinitis, atopic dermatitis, food allergy and hereditary angioedema

Mary K. Hintermeyer, APNP

Interests: Common variable immune deficiency (CVID), pulmonary disorders associated with CVID, severe combined immune deficiency (SCID) and bone marrow transplant for immune disorders

Mary Ho, APNP

Interests: Asthma/allergy, food allergy and immune deficiency

Sara A. Lowe, APNP

Interests: Asthma, high-risk asthma, allergic rhinitis, atopic dermatitis, food allergy, urticaria, stinging insect allergies and sinusitis

L. Carol Roberson, APNP

Interests: Non-chemo infusions

Endocrinology

Office (414) 266-6750 | Fax (414) 266-6749 | chw.org/endo

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Program Director

Patricia A. Donohue, MD, section chief, Endocrine

Interests: Disorders of the hypothalamic-pituitary-adrenal axis, disorders of sex development, general pediatric endocrinology, endocrine complications of brain tumor and cancer treatment

Endocrine and Diabetes clinic manager

Matthew Grevenow (414) 337-4403 | mgrevenow@chw.org

Specialists

Omar Ali, MD

Interests: Diabetes, obesity, metabolic syndrome, lipid disorders and disorders of sex development

Bethany A. Auble, MD

Interest: Diabetes, disorders of growth and puberty, polycystic ovarian syndrome (PCOS), endocrine disorders related to bone marrow transplantation (BMT) and cystic fibrosis related diabetes (CFRD)

Susanne M. Cabrera, MD

Interests: Type 1 diabetes mellitus, disorders of sex development, medical care of transgender youth and transitional care for adolescents with Type 1 diabetes

Rosanna V. Fiallo-Scharer, MD, program director, Diabetes

Interests: Diabetes, adrenal disorders and disorders of sex development

Alvina R. Kansra, MD

Interests: Endocrine disorders, polycystic ovary syndrome, pubertal disorders, childhood obesity, Type 2 diabetes and endocrine late effects of cancer

Peter M. Wolfgram, MD

Interests: Adrenal and thyroid disease, short stature and diabetes mellitus

David T. Wyatt, MD

Interests: Diabetes (Type 1 and 2, MODY, medication induced), abnormalities in thyroid, adrenal, pubertal and other endocrine systems, growth disorders and endocrine deficiencies associated with malignancy

Advanced Practice Providers**Loretta L. Bush, APNP**

Interests: Turner syndrome, gender dysphoria, diabetes Types 1 and 2, and general endocrinology

Rebecca K. Fannin, APNP

Interests: Type 1 and Type 2 Diabetes, cystic fibrosis-related diabetes, MODY and medication-induced diabetes

Shari K. Liesch, APNP

Interests: Diabetes, preventative health care, nurse and population health and health coaching for behavior change

Colleen T. McCann, APNP

Interests: General endocrine problems, diabetes and endocrine complications of bone marrow transplant

Elaine A. Parton, APNP

Interests: Diabetes, insulin pump management, continuous glucose monitoring, exercise and diabetes and outcome optimization with diabetes management

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Manu Sood, MD, program director, Motility (414) 266-3693

Interests: Motility disorders, chronic constipation and disorders of defecation and Hirschsprung's disease

Executive Director of Aerodigestive

Pam Fraser (414) 266-3344 | pfraser@chw.org

Specialists

Farhat N. Ashai-Khan, MD (414) 266-3849

Interests: Obesity, inflammatory bowel disease and gastrointestinal procedures

Ellen L. Blank, MD (414) 266-6202

Interests: Feeding disorders in children, general pediatric gastroenterology, bioethics and conflict of interest and professionalism in medicine

José M. Cabrera, MD (414) 266-6202

Interests: Inflammatory bowel disease and transitional care of pediatric patients with IBD to adult care

Gisela G. Chelimsky, MD (414) 266-3693

Interests: Neurogastroenterology and the role of the autonomic nervous system

Praveen S. Goday, MD, program director, Nutrition (414) 266-3915

Interests: Nutrition and gastroenterology

Bhaskar Gurram, MD (414) 266-2303

Interests: Inflammatory bowel disease, early onset and very early onset inflammatory bowel diseases, eosinophilic gastroenteritis and eosinophilic esophagitis, GI manifestations of immune deficiency diseases and nutrition

Katja K. Kovacic, MD (414) 266-3915

Interests: Functional and motility disorders and feeding disorders

Diana G. Lerner, MD (414) 266-6202

Interests: Advanced endoscopy, Inflammatory Bowel Disease, achalasia and disorders of the esophagus, medical and patient education, quality improvement and outcomes research, holistic approach to patient care including role of diet and psychological health on intestinal disorders

Stacey M. Lerret, PhD, APNP (414) 266-5927

Interests: Liver transplant, biliary atresia, autoimmune hepatitis, non-alcoholic fatty liver disease, overweight and obesity and celiac disease

B U.K. Li, MD (414) 266-2327

Interests: Cyclic vomiting

Alfonso M. Martinez, MD (414) 266-3849

Interests: General pediatric gastroenterology

Adrian Miranda, MD (414) 266-3693

Interests: Chronic abdominal pain, irritable bowel syndrome and general gastroenterological disorders

Joshua D. Noe, MD (414) 266-2303

Interests: Inflammatory bowel disease and medical student education

Alan H. Silverman, PhD (414) 266-2303

Interests: Feeding disorders of childhood, elimination disorders and telehealth

Grzegorz W. Telega, MD, program director, Liver Transplant/Hepatology (414) 266-5927

Interests: Liver transplant, hepatitis, metabolic liver disease, polycystic liver disease and non-alcoholic fatty liver disease, liver failure

Bernadette E. Vitola, MD (414) 266-5927

Interests: Pediatric liver disease, liver transplant and obesity

Steven L. Werlin, MD (414) 266-2327

Interests: Disorders of the pancreas including pancreatitis, pancreatic insufficiency and Shwachman-Diamond Syndrome, inflammatory bowel disease and C difficile infections

Advanced Practice Providers

Julie M. Banda, APNP (414) 266-3874

Interests: Functional GI disorders, dysautonomia, toilet training difficulties, overweight and obesity

Lori A. Duesing, APNP (414) 266-6690

Interests: Nutrition and gastroenterology

Margaret M. Friedhoff, APNP (414) 266-6111

Interests: Children with constipation or defecation disorders and toilet training difficulties, infants with gastroesophageal reflux and reflux disease and children with anal rectal malformations

Denise M. Kilway, APNP (414) 266-6917

Interests: Children with defecation disorders, infants and young children with GERD and childhood overweight and obesity

Interests: Leukemia and lymphoma

Oncology Advanced Practice Providers

Cheryl L. Armus, APNP (414) 266-3455

Interests: General oncology

Meghan C. Belongia, APNP (414) 266-4990

Interests: Neuro-oncology, high risk neuroblastoma

Molly M. Brickler, APNP (414) 266-3675

Interests: Leukemia

Susan L. Burke, APNP (414) 266-1968

Interests: Leukemia and lymphoma

Allison L. Grady, APNP (414) 266-3050

Interests: General oncology

Amy R. Newman, APNP (414) 266-6931

Interests: Solid tumors

Rebecca R. Rusch, APNP (414) 266-4099

Interests: Neuro-oncology, high risk neuroblastoma, early phase clinical trials

Debra J. Schmidt, APNP (414) 266-3422

Interests: Survivorship

Christina M. Schulta, APNP (414) 266-6796

Interests: Leukemia and lymphoma

Kristen J. Tews, PA-C (414) 266-5752

Interests: General oncology

Blood and Marrow Transplant Specialists

David A. Margolis, MD, program director (414) 955-4170

Interests: Aplastic anemia, alternative donor transplants

James T. Casper, MD (414) 955-4153

Interests: Immune deficiencies and immunology

Sridhar Rao, MD, PhD (414) 937-3841

Interests: Leukemia

Julie An Marie Talano, MD (414) 955-4185

Interests: Alternative donors transplant, Leukemia, sickle cell disease, hemophagocytic and lymphohistiocytosis

Monica S. Thakar, MD (414) 955-7546

Interests: Natural killer cell immunotherapy, non-myeloablative transplants, Fanconi anemia

Blood and Marrow Transplant Advanced Practice Providers

Lynnette J. Anderson, APNP (414) 266-2593

Interests: Care of the post-BMT patient, survivorship

Andrea Bobke, APNP (414) 266-2681

Interests: General oncology

Miranda G. Gries, APNP (414) 266-3298

Interests: Immune deficiencies

Psychology

Kristin M. Bingen, PhD (414) 955-4148

Interests: Quality of life, psychosocial functioning, survivorship, adolescents and young adults

Jennifer Hoag, PhD (414) 955-5738

Interests: Quality of life, psychosocial functioning and sibling adjustment

Matthew P. Myrvik, PhD (414) 955-7581

Interests: Sickle cell disease, pain management, sleep and concussion

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

David Gregg, MD | dgregg@chw.org

Interests: Cardiac imaging, pediatric vascular and interventional radiology, PET imaging, body imaging (including plain film) ultrasound, CT/MR, fluoroscopy and nuclear medicine

Imaging director

Erin Yale (414) 337-7395 | eyale@chw.org

Specialists

Kevin P. Boyd, DO | kboyd@chw.org

Interests: Pediatric neuroradiology, advanced neuroimaging, (functional MRI, diffusion tensor imaging, MR Perfusion, MR Spectroscopy, PET scans), brain tumor imaging, head neck and intracranial vascular malformations and PHACE syndrome

Patricia E. Burrows, MD | pburrows@chw.org

Interests: Diagnosis and treatment of vascular anomalies, pediatric neurovascular disease and pediatric vascular interventional radiology.

Tejaswini K. Deshmukh, MD | tdeshmukh@chw.org

Interests: Pediatric radiography, fluoroscopy, ultrasonography, advanced neuroradiology and body MRI

Teresa G. Kelly, MD | tkelly@chw.org

Interests: Neuroradiology and advanced brain tumor imaging research

Mohit Maheshwari, MD | mmaheshwari@chw.org

Interests: Pediatric neuroradiology, advanced neuroimaging, (functional MRI, diffusion tensor imaging, MR Perfusion, MR Spectroscopy, PET scans), brain tumor imaging, head neck and intracranial vascular malformations and PHACE syndrome

Arthur B. Meyers, MD | ameyers@chw.org

Interests: Pediatric musculoskeletal imaging and pediatric body imaging

David C. Moe, MD | dmoe@chw.org

Interests: Pediatric vascular and interventional radiology with special interest in vascular anomaly treatment and image guided thermal ablation, pediatric radiology training (Fellowship Director), body imaging (MRI, ultrasound, CT), fluoroscopy, nuclear medicine and digital radiography

Sheila G. Moore, MD | smoore@chw.org
Interests: Musculoskeletal, cancer and body imaging

Carla V. Quijano, MD | cquijano@chw.org
Interests: Body imaging, CT, MRI imaging, nuclear medicine including PET/CT, ultrasound and pediatric general radiology

Hervey D. Segall, MD, program director, Pediatric Neuroradiology | hsegall@chw.org
Interests: Pediatric neuroradiology, pediatric head and neck radiology

Nghia (Jack) N. Vo, MD, interim section chief, Imaging and program director, Pediatric Interventional Radiology | nvo@chw.org
Interests: Pediatric vascular and interventional radiology with special interest in vascular anomaly treatment, venous and arterial interventions, embolizations of tumors and arterial hemorrhage, pediatric fluoroscopy and cross sectional imaging studies, pain relief intervention, and percutaneous biopsies

Advanced Practice Providers

David J. Horzewski, PA-C | dhorzewski@chw.org

Christopher G. Peske, PA-C | cpeske@chw.org

Elizabeth J. Sehnert, PA-C | esehnert@chw.org

Office (414) 337-7140 | Fax (414) 337-7145 | chw.org/nephrology

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Cynthia G. Pan, MD, section chief, Nephrology

Interests: Hypertension, nephrotic syndrome, congenital renal anomalies, kidney transplantation, end stage renal disease, metabolic bone diseases, kidney transplantation and glomerulonephritis

Dialysis and Renal clinic manager

Emily Neibauer, MS, RN Office (414) 266-2684 | Fax (414) 266-3421 | eneibauer@chw.org

Specialists

Ellis D. Avner, MD

Interests: Congenital kidney disorders, polycystic kidney disease, genetic kidney diseases, general pediatric nephrology and international health

Craig C. Porter, MD

Interests: Clinical nephrology and inherited disorders of the urinary tract

Rajasree Sreedharan, MD

Interests: Hypertension, acute kidney injury, congenital kidney problems, chronic kidney diseases dialysis and kidney transplantation

Scott K. Van Why, MD

Interests: Renal failure, kidney transplantation, glomerular disease and hypertension

Advanced Practice Providers

Beth Brzycki, RN (414) 266-2018

Jackie Dake, APNP (414) 266-2843

Interests: Chronic kidney disease, hypertension, end stage renal disease, nephrotic syndrome, voiding improvement program and kidney transplantation

Patricia A. Ring, APNP (414) 266-2584

Interests: Hypertension, nephrotic syndrome, chronic kidney disease, prenatal hydronephrosis, voiding improvement program, urinary incontinence and recurrent urinary tract infections

Nurse

Lori Uelner, RN (414) 266-2018

Neurology

Scheduling for neurology patient appointments | (414) 266-3464
chw.org/refer | New patients need a referral from primary care physician.
Office fax (414) 266-3466

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Kurt E. Hecox, MD, section chief, Neurology (414) 337-8702

Interests: Comprehensive epilepsy program, intractable epilepsy, epilepsy surgery, metabolic and sensory disorders, complex communication disorders, long term video and eeg monitoring

Executive Director of Neurosciences Center

Erin Yale (414) 337-7395 | eyale@chw.org

Specialists

Tarif Bakdash, MD (414) 266-7544

Interests: Pediatric neurology, epilepsy, movement disorders, behavioral sleep medicine and neurophysiology

Christopher M. Inglese, MD (414) 266-7545

Interests: Comprehensive epilepsy program, intractable epilepsy, epilepsy, Tourette syndrome, paroxysmal disorders, electroencephalography, long term video and EEG monitoring

Nadir Khan, MD (414) 266-7541

Interests: Epilepsy, general neurologic disorders, headache management and electroencephalography

Priya A. Monrad, MD (414) 266-7541

Interests: Comprehensive epilepsy program, intractable epilepsy, epilepsy, paroxysmal disorders, neonatal neurology and electroencephalography

Delphin Sallowm, MD (414) 266-7545

Interests: Epilepsy, demyelinating disorders of childhood and neurologic disorders

Michael J. Schwabe, MD (414) 266-7545

Interests: Seizure disorders, comprehensive epilepsy program, intractable epilepsy, electroencephalography (EEG), vagal nerve stimulation, long term video and EEG monitoring (ltm)

Harry T. Whelan, MD (414) 266-7544

Interests: Pediatric neurology, light emitting diode therapy, radiation tissue damage, developmental disorders of the central nervous system and brain tumors

Advanced Practice Providers

Laura L. Paquet, PA-C (414) 266-7542

Interests: Neurologic disorders and epilepsy

Jenna L. Prigge, APNP (414) 266-7745

Interests: Comprehensive epilepsy program, intractable epilepsy, vagal nerve stimulation and epilepsy surgery program

Erika L. Pyzik, PA-C (414) 266-2054

Interests: Neurologic disorders, comprehensive neuromuscular program and movement disorders

Katie A. Walkowicz, PA-C (414) 266-7067

Interests: Comprehensive epilepsy program and intractable epilepsy

Rhonda R. Werner, APNP (414) 266-7531

Interests: Intractable epilepsy, ketogenic diet, vagal nerve stimulation and transition to adulthood

Other Children's location

New Berlin (262) 432-7701

Neurosurgery

Scheduling for Neurosurgery patient appointments (414) 266-6435

Fax (414) 955-0131 | chw.org/neurosurgery | pediatricneurosurgery@mcw.edu

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Bruce A. Kaufman, MD (414) 266-6435

Interests: Hydrocephalus, craniosynostosis and craniofacial disorders, spasticity (baclofen pump and selective dorsal rhizotomy), spinal dysraphism, brain tumors, spinal cord tumors, movement disorders (deep brain stimulation), epilepsy (vagal nerve stimulation) and vascular diseases (AVM and angiomas)

Executive Director of Neurosciences Center

Erin Yale (414) 337-7395 | eyale@chw.org

Neurosurgery Nurse Coordinator and Pediatric Epilepsy Surgery Coordinator

Julianne C. Mallonee, BSN, RN, CPN (414) 266-6435

Specialists

Andrew B. Foy, MD (414) 266-6435

Interests: brain tumors, spinal cord tumors, spine tumors, spine trauma, Hydrocephalus, spina bifida, cervical spine and craniocervical junction abnormalities and vascular disease (moyamoya)

Sean M. Lew, MD, program director, Neurosurgery Epilepsy (414) 266-6435

Interests: Epilepsy surgery, cervical spine and craniocervical junction, abnormalities, vascular disease (moyamoya), chiari malformation, brain tumors, spinal cord tumors, spine tumors and spine trauma

Advanced Practice Providers

Nancy J. Etter, PA-C (414) 266-6435

Interests: General pediatric neurosurgery – to include hydrocephalus, pediatric brain and spinal cord tumors, head and spine injury

Nandini R. Kolimas, PA-C (414) 266-6435

Interests: General pediatric neurosurgery – to include hydrocephalus, pediatric brain and spinal cord tumors, head and spine injury

Anne E. Matthews, PA-C (414) 266-6435

Interests: General pediatric neurosurgery- to include hydrocephalus, pediatric epilepsy surgery, pediatric brain and spinal cord tumors

Ophthalmology

Office (414) 266-2020 | Fax (414) 266-2027 | chw.org/eye

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Deborah M. Costakos, MD, program director, Retinopathy of Prematurity (ROP)
Interests: Retinopathy of Prematurity, genetic disorders affecting the eye, ocular development, strabismus, amblyopia and tear duct obstructions

Ophthalmology clinic manager

Matt Grevenow (414) 337-4403 | mgrevenow@chw.org

Tracey J. Strombeck, OD

Interests: Managing amblyopia and refractive errors in young children

Specialty service collaborations

Lakeshore Eye Clinic, Mequon, Wis. (262) 241-1919

Orthopedics

Office (414) 337-7300 | Fax (414) 337-7337 | chw.org/orthopedics
Orthopedic Center Nurse Triage Line (414) 266-2411 | Sports Line (414) 604-7512

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

John G. Thometz, MD

Interests: Scoliosis, early onset scoliosis, spina bifida and clubfoot

Orthopedic Clinic and Practice Manager

Terry Schwartz (414) 266-2406 | tschwartz@chw.org

Specialists

Shayne D. Fehr, MD

Interests: Sport-related injuries, concussion, the throwing athlete, injury prevention in the young athlete and musculoskeletal ultrasound

Roger M. Lyon, MD

Interests: Sports medicine ACL reconstruction (including physeal sparing), arthroscopies (including hip, knee, ankle, elbow and shoulder), osteochondritis dissecans, osteochondral procedures including osteochondral allografts, pelvic osteotomies including periacetabular, Ganz and hip dysplasia

Jeffrey P. Schwab, MD

Interests: Leg lengthening, cerebral palsy and trauma

J. Channing Tassone, MD

Interests: Scoliosis, early onset scoliosis, cerebral palsy and trauma

Scott E. Van Valin, MD

Interests: Pediatric and adolescent sports medicine, ACL reconstructions (including physical sparing), arthroscopies, clubfoot and trauma

Kevin D. Walter, MD, program director, Pediatric and Adolescent Sports Medicine

Interests: Sports-related injuries, concussion, the throwing athlete, performance artists and injury prevention in the young athlete

Advanced Practice Providers**Sarah L. Anderson, PA-C**

Interests: Children and adolescents with urgent needs such as broken bones and lower extremity development concerns, sports injuries and developmental problems

April D. Benoit, APNP

Interests: Children and adolescents with sports-related injuries, concussion management, broken bones and lower extremity developmental concerns

Allison D. Duey-Holtz, APNP

Interests: Children and adolescents with scoliosis and spine conditions, children with neuromuscular conditions such as cerebral palsy, broken bones and lower extremity developmental concerns

Lisa C. Gamalski, PA-C

Interests: Children and adolescents with sports injuries and conditions, broken bones, clubfoot and lower extremity developmental concerns

Leah B. Hunt, PA-C

Interests: Children and adolescents with urgent needs such as broken bones and limping, sports injuries, concussion management and lower extremity developmental problems

Anne M. Lange, PA-C

Interests: Children and adolescents with sports injuries and conditions, osteochondritis dissecans, infant and adolescent hip dysplasia, broken bones and lower extremity developmental concerns

Christa D. Thalacker, APNP

Interests: Children and adolescents with scoliosis and spine conditions, children with neuromuscular conditions such as spina bifida and cerebral palsy, broken bones and lower extremity developmental concerns

Kilah M. Wenzel-Terhardt, PA-C

Interests: Children and adolescents with scoliosis and spine conditions, club foot, broken bones and lower extremity developmental concerns

Other Children's locations

Delafield (262) 646-9950

Otolaryngology

Office (414) 266-6479 | Fax (414) 266-2693 | chw.org/ent

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Cecille G. Sulman, MD (414) 266-6467 | csulman@mcw.edu

Interests: Diseases of the head and neck in children with special emphasis in management of chronic sinus disease, difficult airway management and sleep apnea in children

Otolaryngology clinic manager

Heather Swider (414) 266-2915 | hswider@chw.org

Specialists

David J. Beste, MD | dbeste@mcw.edu

Robert H. Chun, MD | rchun@mcw.edu

Interests: Diseases of the head and neck in children with special emphasis in pediatric head and neck neoplasm's and congenital malformations, pediatric airway difficulties, laryngotracheal reconstruction, chronic ear disease and sleep apnea

Stephen F. Conley, MD, MS | sfconley@mcw.edu

Interests: Diseases of the head and neck in children with special emphasis in airway reconstruction, congenital and acquired anomalies of the airway, cleft palate repair, swallowing problems, velopharyngeal insufficiency, velocardiofacial syndrome, drooling and aspiration

Valerie A. Flanary, MD | vflanary@mcw.edu

Interests: Otitis media, sinus disease, congenital hearing loss, congenital head and neck masses and craniofacial disorders

Kristina L. Keppel, DNP, APNP | kkeppel@mcw.edu

Interests: Sinus disease, ear and nasal foreign body removal, cerumen management and postoperative care

Joseph E. Kerschner, MD, FACS, FAAP | jkerschner@mcw.edu

Interests: Diseases of the head and neck in children, chronic ear disease, voice disorders, airway reconstruction, congenital head and neck masses and airway difficulties

Timothy J. Martin, MD | tmartin@mcw.edu

Interests: Diseases of the head and neck in children, sleep disorders, voice disorders, care of complex airway disease, vocal fold dysfunction and sinus disease

Michael E. McCormick, MD | mmccormick@mcw.edu

Interests: Diseases of the head and neck in children, pediatric airway, swallowing difficulties, pediatric head and neck masses and patient safety and quality

Laurie A. Newton, DNP, APNP | lnewton@mcw.edu

Interests: Sinus disease, sleep apnea, otitis media, cerumen management and postoperative care

Thomas C. Robey, MD | trobey@mcw.edu

Interests: Diseases of the head and neck in children, head and neck neoplasms, congenital lesions, thyroid surgery, airway reconstructive surgeries, vocal cord paralysis and cystic fibrosis related sinus surgery

Advanced Practice Providers

T. Roxanne Link, APNP | rlink@mcw.edu

Interests: General pediatric otolaryngology problems, ear and nasal foreign body removal, cerumen management and postoperative care

Laura M. Musolf, APNP | lmmusolf@chw.org

Interests: Otitis media, sinus disease, ear and nasal foreign body removal, cerumen management

Sharon K. Schroeder, APNP | sshroeder@chw.org

Interests: Otitis media, sinus disease, ear and nasal foreign body removal, cerumen management, hearing loss and postoperative care

Michelle L. Trampe, APNP | mtrampe@mcw.edu

Interests: Otitis media, sinus disease, ear and nasal foreign body removal, cerumen management, postoperative care and tracheostomy dependence

Mary E. Wiesen, APNP | mwiesen@mcw.edu

Interests: General pediatric otolaryngology concerns, sleep apnea, otitis media, cerumen management and postoperative care

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Interim Medical Director

Jason A. Jarzembowski, MD, PhD, program director, Perinatal Pathology
Interests: Perinatal and placental pathology, neuroblastoma, pediatric cancer genetics, autopsy pathology and infant mortality prevention

Gabriela Gheorghe, MD

Interests: Pediatric hematopathology and general pediatric pathology

Sue Kehl, PhD

Interests: Laboratory medicine, medical microbiology and virology, infectious disease molecular diagnostics and shiga toxin producing E. coli

Michael W. Lawlor, MD, PhD

Interests: Neuromuscular disease, congenital muscle disease and treatment development

Tara Sander Lee, PhD

Interests: Genetic disease and genomics, pharmacogenetics and personalized medicine, vascular anomalies and congenital heart disease

Stanley F. Lo, PhD

Interests: Biochemical genetics and standardization

Paula E. North, MD, PhD, section chief, Pathology

Interests: Vascular anomalies and children's environmental health

Annette D. Segura, MD

Interests: Anatomic and surgical pathology, pediatric brain tumors, pediatric renal pathology and pediatric dermatopathology

James F. Southern, MD, PhD

Interests: Cardiac, pulmonary and hepatic pathology and autopsy pathology

Mariko Suchi, MD, PhD

Interests: Anatomic and surgical pathology

Sara Szabo, MD, PhD

Interests: Pediatric pathology, including diagnosis of embryonal and pediatric tumors with incorporation of molecular diagnostics, vascular anomalies and pathology of the placenta in correlation with poor fetal and neonatal outcomes

Physical Medicine and Rehabilitation

Office (414) 266-2560 | Fax (414) 266-3485 | chw.org/rehabilitation

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Physical Medicine and Rehabilitation clinic manager

Tera Bartelt (414) 266-8611 | tbartelt@chw.org

Medical Director

Maya C. Evans, MD (414) 337-7361 | mevans@mcw.edu

Interests: Spina bifida, brain injury, cerebral palsy, arthrogryposis, musculoskeletal oncology and amputation, botulinum tox injection and baclofen pump

Specialists

Kimberley Zvara, MD (414) 266-2745 | kzvara@mcw.edu

Interests: Brachial plexus, muscular dystrophy, botulinum toxin injections, brain injury/ concussion, cerebral palsy and baclofen pump

Advanced Practice Providers

Julia J. Fishler, APNP (414) 337-7178 | jfishler@mcw.edu

Interests: Spasticity management, intrathecal baclofen pumps, brain tumors, wheelchairs and traumatic brain injuries

Physician Consultation and Referral (800) 266-0366 | Central Scheduling (877) 607-5280

Eileen C. Sherburne, APNP (414) 266-3063 | esherburne@chw.org

Interests: Rehabilitation, brain injury, constipation, bowel and bladder management, skin and wound care and spinal cord injury

Plastic Surgery

Office (414) 266-2825 | Fax (414) 266-2957
chw.org/plasticsurgery

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Arlen D. Denny, MD, section chief, Plastic Surgery (414) 266-2825

Interests: Cleft lip and cleft palate, pigmented birth marks, craniofacial abnormalities, craniofacial reconstruction for craniosynostosis, craniofacial trauma, distraction osteogenesis of mandible, midface, and skull, facial fractures, facial reconstruction, pediatric plastic surgery, plagiocephaly, Treacher Collins syndrome, Romberg's syndrome and newborn Pierre Robin sequence with airway obstruction

Plastic Surgery clinic manager

Kim Melcher (414) 266-4987 | kmelcher@chw.org

Specialists

Robert J. Havlik, MD (414) 266-2825

John N. Jensen, MD (414) 266-7525

Interests: Cleft lip and palate, abnormalities in shape and/or function of the face and skull, vascular malformations, pigmented birth marks, bone distraction (stretching) of the craniofacial skeleton, craniofacial reconstruction for craniosynostosis, craniofacial trauma, pediatric plastic surgery, plagiocephaly, Treacher Collins syndrome, Romberg's syndrome and Pierre Robin sequence with airway obstruction

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

Lynn A. D'Andrea, MD, *section chief, Pulmonary*

Interests: Infant apnea, chronic lung disease of infancy, pulmonary complications of neuromuscular disease, children requiring tracheostomies and home ventilator management and pediatric sleep disorders

Pulmonary and Sleep Medicine clinic manager

Ann Cherone (414) 266-2852 | acherone@chw.org

Specialists

Louella B. Amos, MD

Interests: Obstructive sleep apnea, central sleep apnea, hypoventilation, restless legs syndrome, periodic limb movement disorder and general pulmonary disorders

Nicholas J. Antos, MD

Interests: Cystic fibrosis and quality improvement

Physician Consultation and Referral (800) 266-0366 | Central Scheduling (877) 607-5280

Tina M. Catanzaro, DO

Interests: General pulmonary disorders and pulmonary function testing

Jennifer K. Henningfeld, MD

Interests: General pulmonary disorders, children requiring tracheostomies and home ventilator management and asthma

Hara Levy, MD

Interests: Cystic fibrosis

Julie E. Noe, MD

Interests: Cystic Fibrosis, pulmonary complications of neuromuscular disease and exercise

Nan A. Norins, MD

Interests: Sleep Disorders in children and adolescents with obesity, sleep disordered breathing in developmentally delayed adults with congenital heart disease and sleep and autonomic dysfunction

Daiva E. Parakininkas, MD

Interests: General pulmonary disorders and lung transplants

Diana R. Quintero, MD, program director, Cystic Fibrosis

Interests: Cystic fibrosis, primary ciliary dyskinesia, interstitial lung disease and asthma

Juan P. Ruiz, MD

Interests: Asthma, general pulmonary disorders and medical education

Advanced Practice Providers

Nicole Brueck, APNP

Interests: Cystic fibrosis

Megan L. Grekowicz, APNP

Interests: Sleep disorders, infant apnea and chronic lung disease of infancy

Elizabeth Hauerwas, APNP

Interests: General pulmonary disorders

Cecilia Lang, APNP

Interests: Children requiring tracheostomies and home ventilator management

Nurse

Urgent Care

Children's urgent care clinics are for illnesses or injuries that you normally would receive care for at your regular doctor's office. Our urgent care sites are the area's only walk-in clinics just for kids and appointments are never needed. Board-certified pediatricians staff each clinic.

Children's urgent care locations (414) 266-4800

chw.org/urgentcare

Program Director

Amy R. Romashko, MD (414) 266-7432

Urgent Care manager

Melissa Grinker (414) 266-7481 | mgrinker@chw.org

Children's Urgent Care – 16th Street

Clinic (414) 385-0646

Weekdays 5 p.m. to 10 p.m. | Weekends 11 a.m. to 5 p.m. | Closed holidays

16th Street Community Center, 1032 Cesar E. Chavez Drive/ S. 16th St., Milwaukee

Located on the lower level of the 16th Street Community Center

Children's Urgent Care – Fox Point

Weekdays 5 p.m. to 10 p.m. | Weekends 11 a.m. to 5 p.m. | Closed holidays

Children's Hospital of Wisconsin Fox Point Clinic, 7950 N. Port Washington Road, Fox Point, Wis.

Children's Urgent Care – Mayfair

Weekdays 5 p.m. to 10 p.m. | Weekends 11 a.m. to 5 p.m. | Closed holidays

Children's Hospital of Wisconsin Mayfair Pediatrics, 3040 N. 117th St., Suite 100, Wauwatosa, Wis.

Children's Urgent Care – New Berlin

Clinic (262) 432-7599

Weekdays 5 p.m. to 10 p.m. | Weekends 11 a.m. to 5 p.m. | Holidays 11 a.m. to 5 p.m.

Children's Hospital of Wisconsin New Berlin Clinic, 4855 S. Moorland Road, New Berlin, Wis.

Located on the first floor. Lab services and imaging available at this location with limited hours.

Urology

Office (414) 266-3794 | Fax (414) 266-1752 | Nurse line (414) 266-3794 | chw.org/urology

Our providers treat a wide variety of conditions related to their specialties. Their special interests are noted below.

Medical Director

John V. Kryger, MD, section chief, Urology (414) 337-7757

Interests: Bladder exstrophy, disorders of sexual development, hypospadias, ambiguous genitalia, neurogenic bladder, congenital bladder and kidney disorders and recurrent urinary tract infections

Urology pediatric division administrator

Jim Petersen (414) 266-6575

Specialists

Charles T. Durkee, MD (414) 266-1656

Interests: Urinary tract stone disease, hypospadias, spina bifida, neurogenic bladder and urodynamics

Travis W. Groth, MD, program director, Robotics (414) 266-1656

Interests: Robotic-assisted laparoscopic surgery, minimally invasive surgery, genitourinary reconstructive surgery, kidney stones management and treatment, UPJ obstruction, vesicoureteral reflux, undescended testis, hypospadias, neurogenic bladder, exstrophy and epispadias

Physician Consultation and Referral (800) 266-0366 | Central Scheduling (877) 607-5280

Hrair-George O. Mesrobian, MD, MS, FAAP, FACS (414) 266-3769

Interests: Minimally invasive treatment of vesicoureteral reflux, sacral neuromodulation, interstim procedure, hydronephrosis, prenatal hydronephrosis, hypospadias, undescended testes, exstrophy of bladder, epispadias, genitourinary reconstruction, congenital genitor-urinary anomalies, urogenital sinus anomalies and kidney transplantation

Coleen M. Rosen, DNP, APNP

Interests: Bladder exstrophy, voiding improvement, bedwetting, incontinence, urinary tract infections and pre and post surgical patients

Advanced Practice Providers**Matt Armstrong, APNP**

Interests: Pediatric urology with emphasis on voiding dysfunction, nocturnal enuresis, recurrent urinary tract infections, hydronephrosis, vesicoureteral reflux and circumcision evaluations

Katherine E. Kressin, APNP

Interests: Dysfunctional elimination syndrome, chronic urinary tract infection, enuresis, neurogenic bladder and bowel AND pelvic floor biofeedback

Heidi H. Vanderpool, APNP

Interests: Daytime urinary incontinence, nocturnal enuresis, recurrent urinary tract infections, urinary frequency and urgency, vesicoureteral reflux, labial adhesions and penile adhesions
