Our hospitals

Children’s Hospital of Wisconsin is one of the nation’s top pediatric facilities. We’ve served kids and families from all 50 states, as well as many countries around the world.

Our two hospitals are located in Milwaukee and the Fox Valley.

Research

The Children’s Hospital of Wisconsin Research Institute represents the most powerful concentration of pediatric research in the region:

- More than 1,000 active clinical trials
- Nearly $25 million in external funding

The Fox Valley hospital, located in Neenah, has 42 beds, including a 22-bed Neonatal Intensive Care Unit.

The Milwaukee hospital location offers:

- LEVEL 1* Children’s Surgery Center
- LEVEL 1* Trauma Center
- LEVEL IV* Neonatal Intensive Care Unit
- 72-BED Pediatric Intensive Care Unit

*Highest level of care
Care closer to home

All kids should have access to high-quality care, no matter where they live. That’s why Children’s offers care in:

- **More than 70 medical specialties**, in the Milwaukee hospital and clinics across Wisconsin
- 26 primary care locations with more than 100 pediatricians
- 6 urgent care locations
- 5 dental clinic locations
- **17 behavioral health care locations**
- Mental and behavioral health services in 32 elementary through high schools across Wisconsin
- 26 community services locations across Wisconsin

Strengthening Wisconsin communities

Kids need healthy families and strong communities to live well, so we partner with and support Wisconsin communities in many ways. Here are just a few:

- Children’s is a partner of the Sojourner Family Peace Center, a 54-bed shelter that has provided safety and support services to thousands of victims and families impacted by family violence.
- In 2017, Children’s invested more than $103 million in community programs and services with the long-term goal of keeping all children healthy, happy and safe. This includes providing more than $63.1 million in uncompensated care.
- 110,000 student enrollments in health education e-learning
- 3,000 kids and families served in counseling programs
- 15,000 annual school nurse encounters
- 36,000 calls to the Wisconsin Poison Center annually
- 3,400 kids supported in foster care and adoption programs
- 8,300 kids and families served in Child Advocacy Centers
