2. **Benefits to Evaluation/Treatment:** Evaluation and treatment may be administered with psychological interviews, psychological assessment or testing, psychotherapy, medication management, as well as expectations regarding the length and frequency of treatment. It may be beneficial to me or my child, as well as the referring professional, to understand the nature and cause of any difficulties affecting my or my child’s daily functioning, so that appropriate recommendations and treatments may be offered. Uses of this evaluation include diagnosis, evaluation of recovery or treatment, estimating prognosis, and education and rehabilitation planning. Possible benefits to treatment include improved cognitive or academic performance, health status, quality of life, and awareness of strengths and limitations.

4. **Confidentiality, Harm, and Inquiry:** Information from my child’s evaluation and/or treatment is contained in a confidential medical record at Children’s Service Society of Wisconsin, and I consent to disclosure for appropriate use by CSSW staff for the purpose of continuity of my child’s care. Per Wisconsin mental health law, information provided will be kept confidential with the following exceptions: 1) if you/your child are deemed to present a danger to self or others; 2) if concerns about possible abuse or neglect arise; or 3) if a court order is issued to obtain records.

5. **Right to Withdraw Consent:** I have the right to withdraw my consent for evaluation and/or treatment at any time by providing a written request to the treating clinician.

6. **Expiration of Consent:** This consent to treat will expire 12 months from the date of signature, unless otherwise specified.

7. **Discharge Policy:** The provider may discharge you from treatment for the following reasons: (a) you or your child completed treatment, (b) you or your child requests to end treatment, (c) you frequently miss appointments, (d) you do not contact the provider when missing repeated appointments, (e) you do not respond to (phone, letter or face to face) contact from the provider, (e) you are referred to another agency/provider for a different level or type of treatment, or (f) you are non-compliant with treatment recommendations.
