

Getting Ready to Go Home

Soon your child will be ready to go home! Here are tips that will make going home easier.

Know who is picking you up and driving you home.

Have your child's car seat ready.

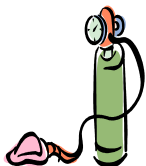

Have clothes or pajamas for your child to wear home.

Know the phone number of the pharmacy you will be using.

Pharmacy name _____ Phone number _____

Tell your nurse if you need special supplies for the ride home.

Know the name and phone number of your child's doctor.

Doctor's name _____ Phone number _____

Have a cooler ready if you will be taking home breast milk.

Procedures, treatments or a change in your child's condition may affect the time or day your child can go home. Your nurse will let talk with you each day as you are closer to going home.
