

## Wisconsin Immunization Registry (WIR): Parent Access

### What is the Wisconsin Immunization Registry?

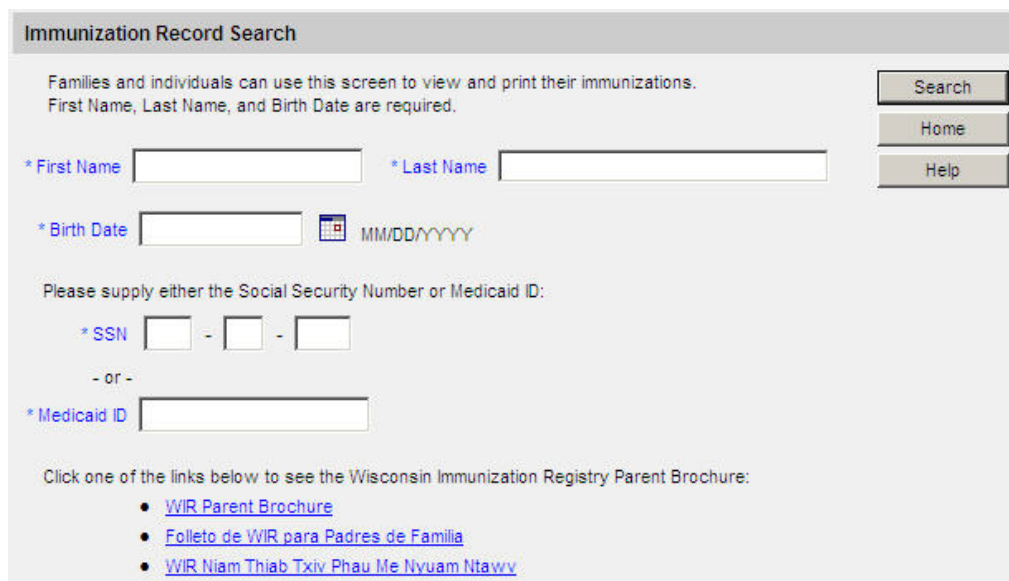

Many children get immunizations (vaccinations) from more than one clinic or health care provider. The WIR is a computerized system that keeps track of immunizations. Parents and providers can access the system at any time to see what vaccines have been given and which ones are due.

### How do I find my child's vaccine records using the WIR website?

Click <https://www.dhfwir.org/PR/clientSearch.do?language=en> to go to the WIR Public Immunization Record Access page.

To get to your child's record you will need this information:

- 1 Child's first and last name.
- 2 Child's date of birth MM/DD/YYYY.
- 3 One of these numbers:
  - a. Child's Social Security Number in the form xxx-xx-xxxx **or**
  - b. Child's Medicaid ID Number

**Immunization Record Search**

Families and individuals can use this screen to view and print their immunizations.  
First Name, Last Name, and Birth Date are required.

\* First Name  \* Last Name

\* Birth Date   MM/DD/YYYY

Please supply either the Social Security Number or Medicaid ID:

\* SSN  -  -

- or -

\* Medicaid ID

Click one of the links below to see the Wisconsin Immunization Registry Parent Brochure:
